Artistica Home Unveils Spring 2025 Portfolio

Original Casegoods and Upholstered Seating Designs

HIGH POINT, NC – Artistica Home is pleased to announce the debut of their Spring 2025 assortment, featuring three new casegoods collections as well as additions to the brand's highly successful upholstery portfolio. The Spring edit will be unveiled at the Artistica Home showroom, located at 200 North Hamilton, Suite 221, during the High Point Market, April 24-30, 2025.

Solimar – A casual, transitional great room collection inspired by the cultural and design breakthroughs of the late 1960's and early 70's, dressed in wire brushed white oak veneers with warm undertones and an ivory ceruse. The collection includes dining, media, occasional, and an antique reproduction pencil rattan orb lounge chair in a whitewash finish.

Barnaby – New Traditional styles in solid white oak and sawn veneers, featuring a distressed, iridescent oak finish with dark umber hang up, contrasted against cast bronze inlays in an antiqued champagne finish. The collection includes dining, occasional and media designs.

Signature Designs Media Consoles – Striking contemporary credenzas featuring original hand-painted door fronts enclosed in ivory cases. ***Aurora*** features an expressionist landscape harkening a sunrise across five touch-hardware doors, while ***Blue Wave*** boasts a flowing, organic pattern in azure hues that evoke the look of tropical waters, standing on a Mid-Century Modern iron base.

Lauren Upholstery Series – Transitional styling features linear overlays outlining the arms and seat frames, standing on recessed wooden plinths available in all Lexington custom finishes. The linear overlays create unique two-tone opportunities on the silhouettes, and all items feature Artistica's signature plush seating and versatile configuration options.

Rhonda Upholstery Series – Sleek, transitional silhouettes feature tapered track arm designs that gently roll at the front of the frames, and unique teardrop-shaped back pillows. Both Lauren and Rhonda offer bench seat cushions on sectional designs while also available with conventional multi-cushion options.

The Spring portfolio will debut at the High Point Market, April 24-30, 2025 in the company's 15,000 square foot showroom located at 200 North Hamilton, Suite 221. The showroom is open from 8:00 am until 6:00 pm daily, and lunch is served from 11:30 am until 2:00 pm. Buyers are invited to afternoon Champagne receptions daily, starting at 2:00 pm.

Private transportation is available from 8:00 am until 6:00 pm daily between the Artistica Home showroom, the Lexington Design Studio across from IHFC, and the main Lexington Home Brands showroom on National Highway.
